## **QCA Presidents Comment** (for May 2023)

Hello QCA Members,

It's been great to have uninterrupted dancing back again. I hope your clubs are doing well. I have managed to keep 3 new dancers who have now completed the Mainstream programme and I hope to get them to some bigger dances soon.

I would like to encourage callers to promote the Basic Jamboree coming up at Buderim on 20<sup>th</sup> May, as we need dancers of all levels to show the newer dancers how much fun a big dance can be.

Rob and I are off to the National Convention in Adelaide and looking forward to 5 days of dancing together, which as you know callers don't get much of a chance to do.

Have fun

Elaine Davis  
QCA President

Dear Secretary,

The Queensland Callers Association is a small, common-interest group, run by volunteers, and as such can be “self-audited”.

I have examined the financial statements and records of the Association for the financial year ended 31<sup>st</sup> December 2022.

The QCA’s records of income and expenditure agree with the bank statements and all transactions are consistent with the Association’s activities.

I am therefore of the opinion that these records represent a fair and accurate picture of the Association’s financial status for the year ended 31<sup>st</sup> December 2022.

For interest, I have appended a comparison with 2021 records.

## **ACF State Co-ordinator Report for Jan. 2023**

Hi All,

On the ACF front, there isn't a lot to advise.

We are working with the Adelaide convention regarding catering for the ACF get together. If any of our newer callers are looking to attend the convention, please let me know if you are interested in calling at the ACF breakfast where some of our peers can provide you some feedback.

We are in discussions regarding caller profiles on the ACF website. Each year, the national convention committees asks for caller profiles to put up on their website. This seems like a task that is repeated so many times and we could be more efficient. The ACF board would like to know if you would support the idea of your caller profile on the ACF website being the location that all National conventions use going forward? If so, would you also support the idea for callers being able to update their own profile?

A small reminder with the year coming to an end, to update your caller hours log. If you haven't done this for the last six months, please do so.

Regards

Otherwise, the ACF hopes you have some good time off this holiday period.

Regards

Matthew Mills

## Caller Training Officers Report for Jan. 2023

Hi All,

Since my last report, the zoom session held on SQview and laptop maintenance was held. It was good to get a proper zoom presentation session under our belt. Our attendance was good but could be better. I certainly enjoyed presenting this session and sharing my knowledge. Another thing I enjoyed was the feedback from callers asking for these zoom sessions to be interactive. This information is great for future presentations and something all zoom presenters need to think about.

If you didn't attend this session, we would certainly like to know why. Having zoom allows us to reach callers everywhere in QLD so we would like every trainee, club and state caller jumping in. If we are not covering topics you are interested in, please provide that feedback to the QCA.

The next training session will be run by Alan Evans and the topic will be multi level class on resolution methods. This will be great for newer callers to look at the basic resolution methods.

With the holiday period coming up, I want to challenge all callers to do some homework. Have you purchased new music this year? If no, please buy some new tracks to utilise next year. Perform a self assessment. What did you do well, what didn't you do well with and what goals can you set yourself for 2023.

Regards

Matthew Mills

#### North Queensland Vice Presidents Report (29<sup>th</sup> January 2023)

We Sun City Square & Round Dance Club are currently just Dancing when we can get enough Dancers. Sometimes it has been 2 - 3weeks apart and all still have much fun.

We at Sun City Square & Round Dance Club have gone forth and placed a publicity advertisement on face book, Website adverts, Banners around Town (4' x 8' & 2' x 8') are going to spread leaflets to increase numbers and we have started placing ads on our local radio station. Very Hard to get People to advise us of Attendance even after reminding them many times and therefore due to new Council Rulings we must pay for an unused Hall. I have also sent multiple emails out to various club like PCYC inviting them to advertise us with brochures.

Well for now I bid everybody In the Southern Region a big "Hello and hope you are travelling Fine" and hope to see you all soon whether visiting us at our home Clubs or us visiting yourselves in the future. Do not worry on dropping a line for talk anytime.

Best Regards

## **40<sup>th</sup> Qld. State Convention Report for Jan. 2022**

40th State Convention Report – 26/1/2023

To QCA Executive and members,

The committee doesn't have a lot of information to share. It has been a slow start to the year.

With the 1<sup>st</sup> of January passed we are due to draw the winner of our promotion. We have decided to extend the promotion until the second weekend in March and will announce the winners at the Cane Country Squares Birthday dance to hopefully encourage more dancers to register.

We have not had many registrations and we are hoping to continue to promote the convention and hopefully get more as the year goes on.

We will continue to remind cuers and callers that registrations close on the 31<sup>st</sup> May 2023.

We will keep you all updated in our progress.

Thanks

Nev and Bev McLachlan and Matt and Anita Mills
